Video Ads

Deliver a compelling story that grabs attention

Video ads are the most effective way to garner attention and direct viewers to take action.

Using a professionally written script and recorded voice-over, ads reinforce your message and deliver a compelling story that grabs attention and persuades audiences.

Customers who watch a product video are 85% more likely to Purchase.

- eMarketer

Video Ads Persuade and Promote

Showcase your company

example: restaurants, contractors, hair salons, web and IT

Highlight your professional services

example: medical, legal, financial, health & beauty, real-estate

Feature the benefits of your products

example: retail stores, ecommerce sites, manufacturers, software

Promote your destination

example: parks, stadiums, neighborhoods, golf courses
